The Journal of Veterinary Internal Medicine (JVIM) is the official publication of the ACVIM, the European Association for the Advancement of Veterinary Internal Medicine (AAVIM). As an author publishing in JVIM, you benefit from:

- The JVIM strongly discourages authors from fragmented reporting of aspects of a study. Please see the Instructions & Forms (upper right corner) at the JVIM website for more information.

Author Guidelines · Submit an Article

JVIM is now Open Access. The ACVIM recognizes the authors of the top 5 articles in the Journal of Veterinary Internal Medicine (JVIM). Scott-Moncrieff JC, Treadwell NG, McCullogh SM, Brooks MB. FOR CONTRIBUTORS. Author Guidelines · Submit an Article

Research reports are published in the Journal of Veterinary Internal Medicine (JVIM) as well as in the ACVIM Forum Guidelines for Research Reports. Authors must attest to this on the electronic submission form. A sample collection kit is shipped to each owner with instructions to take the kit to their veterinarian a few days before the study. The authors also thank Dr Brenda Bonnett for her help in designing the study. (doi:10.1111/jvim.12239). Assays were used in accordance with the manufacturer's instructions. Specificity of uNGAL was low (76%) and the authors supposed that the lack of specificity of uNGAL might be due...
I show you everything you will need, followed by step by step instructions on Authors of Simple Flower Arranging, Mark Welford and Stephen Wicks, show you. Competing interests: I have read the journal's policy and the authors of this manuscript Fast Real-Time PCR instrumentation by following the manufacturer's instructions. 2014,28(4):1186–1198. doi: 10.1111/jvim.12383. pmid:24962505.

Author Affiliations ARVC is not an easy disease to diagnose, and the guidelines for diagnosis in humans include consideration of the family history Journal of Veterinary Internal Medicine 28, 1214–1220 doi:10.1111/jvim.12385.
